Thursday

Dear Parents,

Namaste!

Congratulations to all the stakeholders for the successful completion of the second year of The Shri Ram Universal School, Hisar. As we commence a new academic year, I want to extend a hearty welcome to our existing parents and the new ones who are going to be the inseparable part of our institution. All of us at TSUS are excited for the next session. Our journey together has been commendable. Spring of 2020 has challenged staff and students to find a new normal for learning, connected us in new ways and required our champions to show their utmost strength. We have held many remarkable events via e-platform in the past session including Shri Dandiya Beats, Shri Super Champ- 2, "श्रीकलाएँ", Mis-match Competition, Morning assemblies, SEL events namely Hindi Kavi Sammelan, Shri Expressions, Mathathon and many more .Your active participation has been the key to success of these events.

I would take time to thank you for all your cooperation, contribution, harmony and reciprocity towards the school. Together, we can form the most powerful partnership that will help us unlock the dream of our children's future. As parents your involvement with your child's experience is very important and we look forward to the same support we received in the past session. I appreciate that each of your children brought joy and happiness to our classrooms.

A child's education starts from home and parents are their first teachers which truly has been justified during the period of Lockdown. Where you are constantly involved in their active learning and its imperative on your part to nurture compassion and susceptibility in your children for the betterment of the society. We value the immense trust that you have placed on us by your decision to send your child in TSUS, Hisar. The school has continued to work vigorously to provide you and your child with the exceptional education. We will also continue to work diligently to provide a safe and healthy environment for all.

Your convenience has always been our first priority, keeping that in mind the school has organized

A Parent orientation on 10 April, 2021 Saturday.

Timing is 11:30 am to 1 pm.

I request each and every parent to mark your calendar for the same. As this orientation will give you better understanding of curriculum and all the other school functionary of the entire session. You can also meet the class & subject teachers of your ward.

New session begins from 1 April, 2021 Thursday.

Let us make this year come to life for each child with imagination, innovation and excellence. I look forward to work with you as a team to help each student at TSUS meet their goals and have a successful school year ahead!

"We shall walk together on this path of life, for all things are part of the universe and are connected with each other to form one whole unity" -Maria Montessori

Stay safe! Stay healthy!
